ADDENDUM # 1
BID # 26-112, COUNTY ROAD 557 WIDENING

Q1: If available, can a listing of pre-bid attendees be provided?

A1: Please visit Bid 26-112 county webpage, copy of attendance has been posted. **Link:**
<https://www.polkfl.gov/bid-form/bid-26-112/>.

Q2: The June 10th bid date for CR 557 is currently the same day as the FDOT State bid letting. If possible, could the bid date be moved to the June 24th so there is no conflict between the 2 bids.

A2: See page one (1) of addendum, Bid Receiving Date has been extended one (1) week.

Revision 1

Bid Package, Additional Cost Information Relative to Developer Agreement, page 78:

Delete in it's entirety:

2.2. The traffic signal at the intersection of CR 557 and Old Lake Alfred Rd., and all improvements associated with the traffic signal shall be **completed by April 1, 2027**, in accordance with an agreement with the developer who is doing the site construction on the northwest corner of the intersection of CR 557 and Old Lake Alfred Rd.

Replace with:

2.2. The traffic signal at the intersection of CR 557 and Old Lake Alfred Rd., and all improvements associated with the traffic signal shall be **completed by July 1, 2027**, in accordance with an agreement with the developer who is doing the site construction on the northwest corner of the intersection of CR 557 and Old Lake Alfred Rd.

Revision 2

Bid Package, Qualification Requirements, page 79:

Delete in it's entirety:

3.1. The prime contractor and subcontractors shall be on the **Current List of FDOT Prequalified Contractors** in the following work classes: Drainage; Flexible Paving; Grading; Guardrail; Pavement Marking; Roadway Signing; Traffic Signal; Hot Plant-Mixed Bituminous Courses; Electrical Work; and Sidewalk.

Replace with:

3.1. The Prime Contractor and its proposed subcontractors, collectively, shall be listed on the **Current List of FDOT Prequalified Contractors** for all of the following work classes: Drainage; Flexible Paving; Grading; Guardrail; Pavement Marking; Roadway Signing; Traffic Signal; Hot Plant-Mixed Bituminous Courses; Electrical Work; and Sidewalk.

Clarification 1

As stated at the Mandatory Pre-Bid Meeting on May 18, 2026, the "Additional Cost Information Relative to the Developer Agreement" (Bid Package, pages 78–79) refers to the additional cost to accelerate the identified portion of the project. The underlying work itself is already part of the project scope without acceleration; bidders are being asked to provide the extra cost required to accelerate that portion of the work.
