General Conditions

1. **ADDITIONS/REVISIONS/DELETIONS:** Additions, revisions or deletions to the general conditions, specifications or quote price sheets that change the intent of the quote will cause the quote to be non-responsive and the quote will not be considered. The Procurement Director shall be the sole judge as to whether or not any addition, revision, or deletion changes the intent of the quote.
2. **AWARD(S):** As the best interest of the County may require, the right is reserved to make award(s) by individual item, group of items or as indicated in the quote form; to reject all quotes or waive any minor irregularities or technicalities in quotes received.  - b. The ability, capacity, equipment and skill of the Contractor to fulfill the contract.
 - c. Whether or not the Contractor can fulfill the contract within the time specified, without delay or interference.

Note: In accordance with Florida Statute 119.071, a listing of vendors that provide a quote submittal shall be posted to the County's website at <https://www.polkfl.gov/business/procurement/>. The sealed quotes shall remain

exempt from disclosure, including bid amounts, until recommendation of award or 30 days after bid opening, whichever event occurs first.

Should the Procurement Director reject all quotes, before the recommendation of award or 30 days after bid opening and concurrently provide notice of the County's intent to reissue the quote, the rejected quotes will remain exempt from Florida Statute 119.07 until such time as the County provides notice of recommendation of award of the reissued RFCQ or until the County withdraws the reissued RFCQ. The RFCQ is not exempt for longer than 12 months after the notice of rejection of all quotes.

4. **COUNTY AS GATEKEEPER OF DOCUMENTS:** This document is issued by Polk County and as such shall be the sole distributor of all addendums and/or changes to these documents. It is the responsibility of the Contractor to determine issuance of documents directly with the Procurement Division. The County is not responsible for any solicitations issued through subscriber, publications, or other sources not connected with the County and the Contractor should not rely on such sources for information regarding the solicitation.
5. **TAXES:** Contractors are responsible for the payment of any applicable taxes that are connected to the purchase of any materials or subcontractors used in the execution of this quote.
6. **BUSINESS TAX RECEIPT:** Vendors must possess a Polk County Local Business Tax Receipt (f/k/a Business License) in order to do business with the County. A copy of such license must be provided to the Procurement Division before award is made to the successful vendors.
7. **DISCOUNTS:** Contractors may offer a cash discount for prompt payment; however, such discounts shall NOT be considered in determining the lowest net cost for quote evaluation purposes. Contractors are encouraged to reflect cash discounts in the unit prices quoted.
8. **MISTAKES:** Contractors are required to examine the specifications, delivery schedule, quote prices and all instructions pertaining to the requirements of this quote. Failure to do so will be at Contractor's risk. In case of a mistake in extension of a unit price, the unit price will govern. Corrections made by Contractor to any quote entry must be initialed by the person who signs the quote.
9. **INVOICING AND PAYMENT:** The successful Contractor shall submit an invoice to the County at the prices quoted. An original invoice shall be submitted to the appropriate User Division at their drawer number, P.O. Box 9005, Bartow, Florida 33831. The Contractor shall include the quote number and/or the purchase order number on all invoices. The contractor's Project Manager or any authorized officer is attesting to the correctness and accuracy of all charges. Invoices will be

processed for payment when approved by the appropriate County Project Manager or designee. The County's payment of an invoice shall not constitute evidence of the County's acceptance of the Vendors performance of the Service or the County's acceptance of any work.

10. **CONFLICT OF INTEREST:** All Contractors must disclose, with their quote, the name of any officer, director or agent who is also an employee of the County or any of their agencies. Furthermore, all Contractors must disclose the name of any County employee who owns, directly or indirectly, any interest of any amount in the Contractor's firms or any of their branches. Award of this quote shall be subject to the provisions of Chapter 112, Florida Statutes.
11. **WARRANTY:** Unless otherwise specified, the Contractor agrees that the services furnished under this quote shall be covered by the most favorable commercial warranty the Contractor gives to any customer for comparable services, and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the County by any other provision of this quote.
12. **ADDENDUM:** If it becomes necessary to revise or amend any part of this bid, an addendum will be issued and will be posted on the County's website at <https://www.polkfl.gov/business/procurement/>. It is the sole responsibility of the bidders to check the website to ensure that all available information has been received prior to submitting a bid.
13. **LIABILITY:** The Contractor shall hold and save the County, its officers, agents and employees harmless from liability of any kind in the performance of this quote and against claims by third parties resulting from the supplier's breach of contract or the supplier's negligence.
14. **PATENTS AND ROYALTIES:** The Contractor, without exception, shall indemnify and save harmless the County and its employees from liability of any nature or kind, including cost and expenses for, or on account of, any copyrighted, patented or non-patented invention, process, or article manufactured and used in the performance of this quote. If the Contractor uses any design, device or material covered by letters, patent or copyright, it is mutually agreed and understood without exception that the quote prices shall include all royalties or cost arising from the use of such design, device or material in any way involved in the work.
15. **CONE OF SILENCE:** Bidders and any prospective bidders shall not contact, communicate with or discuss any matter relating in any way to this Bid with any member of the Polk County Board of County Commissioners or any employee of Polk County other than the County Procurement Director or the individual designated in the Procurement Division. This prohibition begins with the issuance of the Bid and ends upon award or execution of the final contract. Any such

communication initiated by a bidder or prospective bidder shall be grounds for disqualifying the offender from consideration for an award pursuant to this bid and for bids or contracts to be awarded pursuant to RFPs, or Requests for Bid that the County may issue in the future.

16. **BID PROTEST:** Any bidder desiring to file a bid protest, with respect to a recommended award of any bid, shall do so by filing a written protest. The written protest must be in the possession of the Procurement Division within three (3) working days of the Notice of Recommended Award mailing date. All bidders who bid will be sent a Notice of Recommended Award, unless only one bid was received.

A copy of the bid protest procedures may be obtained from the Polk County Procurement Division or can be downloaded from the County's website at <https://www.polkfl.gov/business/procurement/protest-procedures/>.

“Failure to Follow Bid Protest Procedure Requirements Within the Time Frames Prescribed Herein as Established by Polk County, Florida, Shall Constitute a Waiver of Your Protest and Any Resulting Claim.”

17. **INDEMNIFICATION:** Contractor, to the extent permitted by law, shall indemnify, defend (by counsel reasonably acceptable to County), protect and hold the County, and its officers, employees and agents, harmless from and against any and all, claims, actions, causes of action, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including, without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals therefrom) including, without limitation, those pertaining to the death of or injury to any person, or damage to any property, arising out of or resulting from (i) the failure of Vendor to comply with applicable laws, rules or regulations, (ii) the breach by Contractor of its obligations under any Agreement with the County entered into pursuant to this solicitation, (iii) any claim for trademark, patent, or copyright infringement arising out of the scope of Contractor's performance or nonperformance of the Agreement, or (iv) the negligent acts, errors or omissions, or intentional or willful misconduct, of Contractor, its professional associates, subcontractors, agents, and employees; provided, however, that Contractor shall not be obligated to defend or indemnify the County with respect to any such claims or damages arising out of the County's sole negligence. The obligations imposed by this Section shall survive the expiration or earlier termination of the Agreement.
18. **PUBLIC ENTITY:** The Contractor declares and warrants that neither the Contractor nor any of the Contractor's affiliates, as that term is defined in Section 287.133, Florida Statutes, are subject to the restrictions in Section 287.133, Florida Statutes, regarding the commission of a public entity crime. If during the term of this Agreement, the Contractor or any affiliate is convicted of a public entity crime

or is otherwise prohibited from performing work for or transacting business with the County pursuant to Section 287.133, Florida Statutes, then the Contractor shall be in material default of this Agreement, and in such case, the County shall have the rights and remedies as provided herein.

19. **PREFERENCE FOR DRUG FREE WORKPLACE:** Whenever two or more quotes, which are equal with respect to price, quality and service, are received, preference shall be given to a quote received from a business that certifies that it has implemented a drug free workplace program in accordance with Section 287.087, Florida Statutes. In order to receive preference, a signed certification of compliance must be provided upon request by the Procurement Division.
20. **NON-CONFORMANCE TO QUOTE CONDITIONS:** Services not delivered as per delivery date in quote and purchase order may result in Contractor being found in default, in which event any and all re-procurement costs may be charged against the defaulting Contractor. This non-conformance to quote conditions may result in immediate cancellation of the purchase order.
21. **ASSIGNMENT:** Any purchase order issued pursuant to this quote and the monies which may become due herein is not assignable except with the prior written approval of the Procurement Director.
22. **DISPUTES:** In the event of any doubt or difference of opinion as to the methods provided herein, or the level of performance rendered, the decision of the Procurement Director shall be final and binding on both parties.
23. **FACILITIES:** The County reserves the right to inspect the Contractor's facilities at any time, with prior notice.
24. **PLACING OF ORDERS:** The award of this quote does not constitute an order. Before any services can be performed, the successful Contractor must receive a written Notice to Proceed with an agreed upon start date.
25. **PRECEDENCE:** Any requirement set forth in any section of the quote documents shall be binding as if called for by all sections. If there is a difference in the terms anywhere in this document, the most restrictive shall prevail.
26. **CANCELLATION:** All quote obligations shall prevail for at least one hundred eighty (180) days after effective date of the quote, unless quote conditions are breached as specified herein. After that period, for the protection of both parties, either party may cancel this quote in whole or part by giving thirty (30) days prior notice in writing to the other party. The County reserves the right to cancel any quote after reasonable written notice to the successful Contractor should the service not be in the best interest of the County. Should the service rendered for any quote cause or

threaten endangerment to public safety or welfare, the Procurement Director may cancel the quote immediately.

27. **PLANS AND SPECIFICATIONS:** The specifications and other quote documents upon which the prices in the Contractor's quote proposal are based on are hereby made a part of the purchase order by reference thereto.
28. **TERMINATION/SUSPENSION:** The Procurement Director reserves the right to terminate or suspend the award of this quote, in whole or in part, when it is in the best interest of the County to do so. The Procurement Director will notify the Contractor, in writing, of any such action with notice of the effective date of termination or suspension. This notice shall also specify the state of the work at the time of termination or suspension.
 - a. If the User Division determines that the performance of the Contractor does not comply with the quote requirements, the division may:
 - b. Immediately suspend the work; and
 - c. Notify the Contractor of the non-performance with a requirement that the deficiency be corrected within ten (10) days of notification.
29. **Prohibition Against Considering Vendor Interests:** In accordance with Section 287.05701, Florida Statutes, the County may not (i) request documentation of or consider a Vendor's social, political, or ideological interests when determining if the Vendor is a responsible vendor; or (ii) give preference to a Vendor based on the Vendor's social, political, or ideological interests.
30. **LOCAL PREFERENCE:** When sealed construction quotations (\$50,000 to \$200,000) are received, and the lowest price is offered by an entity located outside of Polk County, and the next lowest price is offered by an entity located in Polk County, and is within 2% of the lowest price offered, then the Polk County entity shall be given the opportunity to match the lowest price offered, and if agreement to match the lowest price is reached, the Polk County entity will be awarded the construction quote if the Polk County entity is otherwise fully qualified and meets all county requirements.

For purposes of this provision the term "Polk County entity" means any business having a physical location within the boundaries of Polk County, Florida, at which employees are located, and business activity is managed and controlled on a day to day basis. Additionally, the business must have been located within the boundaries of Polk County for a minimum of 12 months prior to the date the applicable solicitation is issued. This requirement may be evidenced through a recorded deed, an executed lease agreement, or other form of written

documentation acceptable to the County. The County shall have the right, but not the obligation, to verify the foregoing requirements.

If a contract is being funded in whole or in part by assistance of any federal, state or local agency which disallows local preference, the County will adhere to those requirements by not applying this section.

This policy does not apply if this quote qualifies as a Sheltered Market quote.

31. **VENDOR PREFERENCE:** When sealed construction quotations (\$50,000 to \$200,000) are received, and the lowest price is offered by a non-women or minority owned entity located outside of Polk County, and a price is offered by a women or minority owned entity that is within 2% of the lowest price offered, then the women or minority owned entity shall be given the opportunity to match the lowest price offered, and if agreement to match the lowest price is reached, the women or minority owned entity will be awarded the quote if the women or minority owned entity is otherwise fully qualified and meets all county requirements.

The term "Women or Minority Owned Entity" means any business having at least 51% ownership by women or minority group members who independently control the management and day-to-day operations of the firm. Group members are Females, African American, Hispanic American, Asian-Pacific American, Native Americans, and Asian Indian Americans.

If a contract is being funded in whole or in part by assistance of any federal, state or local agency which disallows vendor preference, the County will adhere to those requirements by not applying this section.

This policy in no way supersedes the Local Preference Policy.

This policy does not apply if this quote qualifies as a Sheltered Market quote.

32. **CODE OF ETHICS:** If any contractor violates or is a party to a violation of the code of ethics of Polk County or the State of Florida, with respect to this construction quote, such contractor may be disqualified from performing the work described in this construction quote or from furnishing the goods or services for which the construction quote is submitted and shall be further disqualified from quoting on any future construction quotes for work, goods, or services for the County.

33. **ANNUAL APPROPRIATIONS:** The Contractor acknowledges that the County, during any fiscal year, shall not expend money, incur any liability, or enter into any agreement which, by its terms, involves the expenditure of money in excess of the amounts budgeted or the reduction of revenues for those budgeted agreements that may be available for expenditure during such fiscal year. Any agreement, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such agreement. Nothing herein contained shall prevent

the making of agreements for a period exceeding one year, but any agreement made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, the County's performance and obligation to pay under this agreement is contingent upon annual appropriation.

34. **UNCONTROLLABLE FORCES (FORCE MAJEURE):** Either party hereunder may be temporarily excused from performance if an Event of Force Majeure directly or indirectly causes its nonperformance. An "Event of Force Majeure" is defined as any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riots, civil disturbance, sabotage, and governmental actions.

Neither party shall be excused from performance if non-performance is due to forces which are reasonably preventable, removable, or remediable and which the non-performing party could have, with the exercise of reasonable diligence, prevented, removed, or remedied prior to, during, or immediately after their occurrence. Within five (5) days after the occurrence of an Event of Force Majeure, the non-performing party shall deliver written notice to the other party describing the event in reasonably sufficient detail, along with proof of how the event has precluded the non-performing party from performing its obligations hereunder, and a good faith estimate as to the anticipated duration of the delay and the means and methods for correcting the delay.

The non-performing party's obligations, so far as those obligations are affected by the Event of Force Majeure, shall be temporarily suspended during, but no longer than, the continuance of the Event of Force Majeure and for a reasonable time thereafter as may be required for the non-performing party to return to normal business operations. If excused from performing any obligations under this Agreement due to the occurrence of an Event of Force Majeure, the non-performing party shall promptly, diligently, and in good faith take all reasonable action required for it to be able to commence or resume performance of its obligations under this Agreement. During any such time period, the non-performing party shall keep the other party duly notified of all such actions required for it to be able to commence or resume performance of its obligations under this Agreement.

35. **Unauthorized Alien(s):** The vendor agrees that unauthorized aliens shall not be employed nor utilized in the performance of the requirements of this solicitation. The County shall consider the employment or utilization of unauthorized aliens a violation of Section 274A(e) of the Immigration and Naturalization Act (8 U.S.C. 1324a). Such violation shall be cause for unilateral

termination of this Agreement by the County. As part of the response to this solicitation, the successful vendor will complete and submit the attached form "Affidavit Certification Immigration Laws."

36. **Employee Eligibility Verification (E-VERIFY)**

A. Unless otherwise defined herein, terms used in this Section which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

B. Pursuant to Section 448.095(5), Florida Statutes, the contractor hereto, and any subcontractor thereof, must register with and use the E-Verify system to verify the work authorization status of all new employees of the contractor or subcontractor. The contractor acknowledges and agrees that (i) the County and the contractor may not enter into this Agreement, and the contractor may not enter into any subcontracts hereunder, unless each party to this Agreement, and each party to any subcontracts hereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of this Agreement, and the County may treat a failure to comply as a material breach of this Agreement.

C. By entering into this Agreement, the contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The contractor shall maintain a copy of such affidavit for the duration of this Agreement. Failure to comply will lead to termination of this Agreement, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If this Agreement is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If this Agreement is terminated for a violation of Section 448.095, Fla. Stat., by the contractor, the contractor may not be awarded a public contract for a period of 1 year after the date of termination. The contractor shall be liable for any additional costs incurred by the County as a result of the termination of this Agreement. Nothing in this Section shall be construed to allow intentional discrimination of any class protected by law.

37. **CONE OF SILENCE:** Bidders and any prospective bidders shall not contact, communicate with or discuss any matter relating in any way to this Quote with any

member of the Polk County Board of County Commissioners or any employee of Polk County other than the County Procurement Director or the individual designated in the Procurement Division. This prohibition begins with the issuance of the Quote and ends upon award or execution of the final contract. Any such communication initiated by a bidder or prospective bidder shall be grounds for disqualifying the offender from consideration for an award pursuant to this quote and for quotes, bids or contracts to be awarded pursuant to RFPs, or Requests for Bid or Quotes that the County may issue in the future.

38. **ATTORNEY'S FEES AND COSTS:** Each party shall be responsible for its own legal and attorney's fees, costs and expenses incurred in connection with any dispute or any litigation arising out of, or relating to this Agreement, including attorney's fees, costs and expenses incurred for any appellate or bankruptcy proceedings.

39. **PUBLIC RECORD LAWS**

(a) The Contractor acknowledges the County's obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and comply in the handling of the materials created under this Agreement. The Contractor further acknowledges that the constitutional and statutory provisions control over the terms of this Agreement. In association with its performance pursuant to this Agreement, the Contractor shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all applicable laws.

(b) Without in any manner limiting the generality of the foregoing, to the extent applicable, the Contractor acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:

(i) keep and maintain public records required by the County to perform the services required under this Agreement;

(ii) upon request from the County's Custodian of Public Records or his/her designee, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

(iii) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this Agreement and following completion of this Agreement if the Contractor does not transfer the records to the County; and

(iv) upon completion of this Agreement, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of this Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of this Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's Custodian of Public Records, in a format that is compatible with the information technology systems of the County.

(c) IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:
